SHANE & SUZANNE

A FABULOUS THREE HOUR SHOW

PRESIDENT ROGER SAYS

First, I would like to thank all our members who have been coming in on Saturdays for Chase the Ace. This has been growing in attendance and it is great to see so many of you. If you haven't taken part why don't you come down and join in, it would be great to see you there.

The committee has been running Thursday raffles and Chase the Ace on a roster system which has been working well and sharing the load of things being done around the club so I would like to thank our team for working well together.

Sadly, Lance and I attended the funeral of one of our cadets last month which was a very sad occasion for everybody, our condolences go out to his family and the cadets.

We would like to thank 19th Squadron Air cadet unit for once again holding their annual Dine In at our Club. Lance and I were invited to attend this and it's great to see a lot of new young cadets joining the unit each year.

The Shane and Suzanne show is coming up on Saturday 18th October, tickets are selling fast so make sure you get your tickets, this will be a great night at the Club.

Petrol Heads have a raffle running in the Club only \$2.00 a ticket so please support this section.

Bathurst motor race is on Sunday 12th October and Petrol heads do a great job of running raffles on this day so if you have not been to one of these before come down and check it out and watch the Ford team win it this year.

As you are all aware Dale Mays has decided to retire and given us her notice, so the Club has advertised the job on various sites to find a replacement, this has not been an easy position to fill with the right person.

After many applications coming in for this position we had Phil Agent apply for the job.

Phil has worked at several clubs over the years and is currently employed in Gisborne. Phil took the

opportunity to drive up from Gisborne for an interview and to have a look around our Club even though he had visited our Club on several occasions while he was Secretary Manager at Birkenhead RSA.

After discussions with the rest of the committee the position was offered to him and contract forwarded.

Phil has accepted the roll, and we welcome him to our Club as of the 10th November and look forward to him bringing new ideas to the Club.

Dale will stay on during a hand over period before we have a farewell for her.

There are a lot of functions on from now until Christmas so please be courteous to our visitors using the Club during this period.

NZRSA update - A court case has been filed in the High court in Wellington which is due to be heard later this month to discuss the process of how their constitution was passed without all being disclosed and an unfair voting process at the time.

As we have progress we will keep you up dated.

You will see ham raffles appear on the bar soon for collection from the 17th December. This year you will have a choice of a ham, leg of lamb or a \$50.00 Aussie Butcher Voucher. You must write in the book your preference so we can pre order them for collection on the 17th of December.

🏆 Sports Tipping Update – Week 33: The Heat Is On!

The banter's still flying and the tipping chat is alive and well across the club — but we've noticed a dip in numbers as we enter the final stretch. With just **six weeks to go**, the leaderboard is tighter than ever: **The 2 Mikes, Brian, and Kevin** are locked in a thrilling battle for top honours, separated by a mere **8 points!**

🎯 **Week 33 saw 11 sharp-shooters hit the mark**, sharing the jackpot and proving there's still plenty of tipping talent in the mix.

☀️ As summer approaches and some sports wind down, we're on the lookout for **fresh tipping ideas** to keep the fun rolling. Got a sport you love that's flying under the radar? Let us know — we're open to anything from darts to beach volleyball to e-sports!

The title is still anyone's — so sharpen those instincts, rally your mates, and let's finish 2025 with a tipping finale to remember

Stephanie
