

NEW LYNN RSA

DECEMBER NEWSLETTER

PRESIDENT ROGER SAYS.....

It has been an extremely busy November.

First up was a charity lunch held at our RSA hosted by a number of Auckland RSA's Ladies sections, within the Auckland RSA movement.

The charities involved were the Children's Hospital Kidz First, Waitakere Children's ward, as well as Women's Refuge and the Family Harm Unit. Each year the Ladies Sections from various clubs do knitting and donate much needed goods to these charities.

Our ladies' section was a contributor for this event by giving me permission to spend \$400 of their funds on toys from Holdson's Toy Factory topped up a further \$200 by the club. On top of this Holdson's also donated toys to this event. The money from our Ladies Section came from money raised by them selling raffles on Friday nights.

Holdson's have been great sponsors of ours for the last couple of years and we thank them for their support .

Also Phil Agent has come on board and he is getting out within the Club and New Lynn Business area introducing himself.

I'm not sure if he knows what he has got himself into but we are pleased to have him on board as he has already put a lot of ideas into place that he has and has worked well at other Clubs and he knows he's got a good team supporting him.

Next up was Dale's farewell. Great to see a large number of Members and her family attend to wish Dale well in her retirement. On behalf of the Executive and Members, we thank Dale for her efforts and guidance over a long period and wish her a wonderful retirement!

We then had our Veterans luncheon that was a great success with great food and entertainment by our one man band Tevita. There have been a lot of our members who have sent thank you messages to the Club saying how much they enjoyed this day and the involvement of both our Cadet Units at these events.

The next weekend the Presentation's were made to Bruce and Frances Webster and myself for our Life Memberships to the RSA by Graeme Gibson, Auckland District President.

This was attended by our family members and a number of members within our Club.

It is a great honour to receive this award and we would like to thank those who put us forward for this award. We would also like to thank Bob Newson for his involvement in all these events he was MC & did a great job.

We look forward to a busy December and hope to see you come down and catch up with us over the holiday period if you are not going away.

Come and have a look at our Library as Colleen has done a great job in it. The Library is free to all members with new books arriving each week!

Building Upgrades

To improve security and better comply with gaming regulations, access to the gaming room is via the main entrance doors to the Sports Bar.

Previously members and guests could access the room via the Restaurant corridor door. This door is now an exit door only from the Gaming Room.

One of our food chillers has also needed a replacement Condensing Unit. Thank you to Member Keith Hedges and Airflow NZ for completing this work.

Do you have a Current Will?

Whilst not a pleasant subject, failure to have a valid will in place can cause big problems for family members in having to personally meet funeral costs. A valid will ensures funeral costs can be met from your estate and that your assets are allocated as you wish.

I have witnessed the problems experienced by families unable to readily meet funeral costs, catering and a proper service.

And the New Lynn RSA provides excellent facilities for the funeral service and refreshments afterwards. The Club has NO Hire fee for hosting Funerals and Remembrance services.

Christmas Decorations

A big thank you to staff for decorating the clubrooms for the festive season.

On behalf of staff, management and the committee, we wish all members a Safe and Enjoyable Christmas and New Year.
